

N.M. Asif Sheikh

Junior Front-End Web Developer

Dhaka, Bangladesh

CAREER OBJECTIVE

I am a motivated front-end web developer, recently I have completed Front-End Web Development course from 'Programming Hero' platform, seeking a remote internship or job position. I am proficient with HTML, CSS, JavaScript and React. My goal is to contribute to the company's success by developing efficient, user-friendly web applications and staying updated with the latest industry trends.
